

Consent with the personal data processing

provided in compliance with the Regulation (EU) 2016/679 (General Data Protection Regulation)

By providing my personal data in a scope as given in the Questionnaire of Job Applicant, in the professional résumé and in this Consent (hereinafter personal data), I give my explicit consent to Pro-Temp Plus spol. s r.o., based at Vodičkova 792/40, 110 00 Prague 1, Czech Republic Id. Nr.: 072 43 251 (hereinafter the Data Controller) to further:

- storing these data in personal database,
- automated search in the personal database,
- and to provide these data to the clients of the Data Controller for which the Data Controller searches suitable employees to fill the required jobs,

all for the purpose of mediating an employment or some other similar type of labour-law relationship for me.

I do hereby consent to the Data Controller processing and storing my personal data for the case of other mediation of employment, until my withdrawal of this consent.

I declare that I had been duly informed by the Data Controller about:

- the purpose of the processing of personal data,
- the time for which the personal data will be stored,
- the scope of personal data which are subject of processing,
- the nature of automated processing of personal data,
- the recipients to whom the personal data can be provided,
- the identity and contact data of the Administrator and contact data of their representative for the protection of personal data

and about my rights:

- to revoke this consent at any time,
- to request from the Data Controller access to personal data, their correction or deletion (the right to be forgotten) and/or to limit the data processing
- to data transferability
- to request information about the recipients of the personal data provided by the Data Controller,
- to make a protest against the processing and to lodge a complaint before the supervisory authority.

I hereby declare that all the data provided by me are truthful. I give this consent in free will and voluntarily.
